

Good evening Parents/Guardians of the LTJH Community:
Here is a look at the week ahead!

Report Cards

The final day for term 1 is November 21st and report cards will be sent home the following week. Please take the time to talk with your child about how they are doing in their classes and if needed, to reach out to teachers if you need anything before term ends.

Parent Teacher Interviews

Parent/Teacher Interviews will be held on December 5th from 1pm-3pm and 5pm-7pm. The afternoon will be phone appointments only and the evening will be in person. We will send appointment links on November 22 and booking site will go live on November 28th at noon, closing at noon on December 4th.

Inclement Weather

Did you know? HRCE takes great care when making the decision to alter the regular operations of schools and school buses in the event of severe or inclement weather. It is HRCE's goal to communicate any changes to the regular operations of schools and/or buses as close to 6:00 a.m.as possible. **A 6:00 a.m. announcement could be:**

- All schools are delayed in opening by two hours and bus pickups are delayed by two hours; or
- All schools are open, but some or all busses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, an **11:00 a.m. announcement could be:**

- Bussed students will be picked up two hours earlier than their regular dismissal time; and
- Walking students will be dismissed at their regularly scheduled lunch hour.

How will I find out?

- By email to the addresses in PowerSchool
- By text message, **if you have opted-in**. If you aren't sure if you have opted-in, text Y to the following number: **978338**

It's important to always have a plan in place for childcare in the event of any cancellation. For more information on how HRCE manages during inclement weather, visit hrce.ca/weather.

Dalhousie Women in Engineering

On behalf of the Dalhousie Women in Engineering (WiE) Society and the Go Eng Girl 2024 Executive Planning Committee, we are delighted to invite your school to our upcoming Go Eng Girl event! This annual event is a unique opportunity for female students in grades 7–12 to spend a full day at Dalhousie University exploring engineering and STEM—at no cost.

Students are invited to a dynamic day of engaging activities, including campus tours, interactive learning sessions, complimentary snacks, and exclusive t-shirts. The event will culminate in a design competition, offering each member of the winning four-person team the opportunity to receive a \$1,500 scholarship to Dalhousie's School of Engineering.

Event Details

- Date: November 23, 2024
- Time: 9:00 am – 5:00 pm
- Location: 1345 Norma Eddy Lane (Dalhousie Sexton Campus), Halifax

Registration is open now (link below) and closes on November 21 (or sooner if capacity is reached).

Go Eng Girl is an excellent chance for students to engage with engineering and STEM fields, and we don't want anyone to miss out!

For additional details or questions, please feel free to contact us dalwie@dal.ca. We look forward to collaborating with you and inspiring future engineers!
