You must have a CSA approved hockey helmet. No bike helmets allowed. Students that aren't interested in the skate will attend regular classes.

School Cash:

You can now make donations electronically to school fundraising initiatives using your SchoolCash online account.

What You Need to Know

- Making a donation through SchoolCash Online is easy and secure.
- A general donation link can now be found on the home page of the school's website. If your school is doing a fundraiser for a specific initiative, they will share a unique link where you can donate.
- All donations submitted online are subject to a **transaction fee of 4.6% of the donation amount, plus an additional \$0.12 which will be paid by the school.** This means that when you donate \$20, the school will receive \$19.01. For more information on how the fee is calculated, [click here](#).

- An electronic tax receipt will automatically be emailed to you.
- You still have the option of donating to school initiatives directly using cash or cheque.
