February 2025

Dear Grade Six Parents/Guardians:

LTJH offers students the option of participating in a late French Immersion Program beginning in grade seven.

All students may register for the late French Immersion Program. It is worth noting that the students who experience the greatest success in the program tend to be confident learners who excel in language arts and are not afraid to take risks academically.

The deadline for registering in the late French Immersion Program is March 3rd.

The school schedule for 2025-26 school year is developed and submitted to the regional centre in PowerSchool by the end of March. The number of registrants in French Immersion affects our staffing. This is why *it is critical that students/families make a decision about French Immersion and register for the program by the above mentioned deadline.*

Please give your child's participation in the program careful consideration as it is expected that **once a student is registered for French Immersion in grade seven, they remain in that program for AT LEAST one full school year.**

We must have a response from every grade six student to ensure that we are clear about your choice when scheduling begins next month. Please indicate your child's choice on the form on the reverse side of this letter. Please return this form to your child's teacher by **March 3rd, 2025.**

For those families interested, there will be a meeting held at Leslie Thomas with current French Immersion teachers and administration on Wednesday, February 5th @ 6pm. There will be a slideshow about the program and an opportunity to ask questions.

Sincerely,

Gary Miller

Principal, LTJH
