Public Transit

If your student is taking the metro transit bus after school, please have a conversation around lining up on the gravel shoulder and not waiting on the paved street. It is very busy on Metropolitan after school and students should try their best to safely wait for the bus.

Homework Hub

Homework Hub continues to be available to all Nova Scotian students from grades 4-12. The Homework Hub provides electronic textbooks, instructional videos, vocabulary review, practice questions, and live tutoring.

Tutors at The Homework Hub are all Nova Scotia teachers. Please reassure students that while they interact with the tutor, it is through typing and/ or speaking depending on their comfort level (this is not a video chat).

Students can find the link on their GNSPES launch page.

The hours of operation for online tutoring via Homework Hub can be found below. We invite teachers to take a few moments to show students where to find it and share its benefits.
