Prior to the holiday break in December students at LT participated in a survey to give their feedback on student well-being at LT. Most responses were very positive.

Staff will continue to work on strategies to promote student well-being at LT.

- New Business

Principal Ferguson brought forth a look at our SAC monies. We had not accounted for the return of GST on the chrome book purchases. We currently have \$1,200.00 from that. Additionally, we have about \$360.00 remaining from engagement grants. Due to covid restrictions the scope of what these funds can be used for has been broadened. The funds available would ideally be spent this year. Discussion followed on ideas for use. Principal Ferguson will seek input from staff as well for ideas. We will make final decisions on this at our meeting in April.

- Meeting adjournment

Jennifer adjourned the meeting at 7:02pm.
