Principal's Message

Dear Parents/Guardians,

While the spring weather has been dreary the days in June have been going by quickly. Our school has had many activities going on the last few weeks both inside and outside the classroom and as staff and students make the most out of their time together before the well-earned summer break.

Thank you to students, parents, staff and community for all you have done this year to support our school and our students be successful.

I hope everyone enjoys a safe and healthy summer break!

In the Spirit of Learning and Community,
Mark MacPhee

Thank You!

Our school would not function without parent and community support. To the many parents and volunteers who have contributed to coaching, fieldstrips and the many other initiatives we undertake we extend a big **Thank You!** To all our parents who extend their support to their children's teachers we thank you for helping us work as a team to support you child's learning and development.

Report Cards

Year-end report cards will not be available until dismissal on June 28th. If you are taking your child out of school prior to that time please drop off a self-addressed stamped envelope and we will place it in the mail at the end of the day on the 28th.

Grade 8 Student ID's

A photographer from Sackville High will be on site on June 13th at 9am to take pictures of grade 8 students who will be attending grade 9 at SHS in the fall. If students are absent they can coordinate their re-take with Sackville High in September.

Supply Lists

Student supply lists for grade 6, 7, 8 will be posted to our website by the middle of June.

Lunch Time

A reminder to parents that if your child is registered as a lunch student and plans to go off property at lunch they need a written and dated note from you which should be given to the office. We cannot accept phone calls, e-mails or text messages as permission to leave property at lunch. In order for us to accurately staff our lunch program we ask that registered lunch students only leave property as an exception.

Cafeteria

MC Food Services operates our cafeteria. Besides the daily healthy choice meal, there are a variety of foods to choose from. If you would like to set up an online option, that's doable. Check out our menu at the following link or go directly to the LT website.

Please note that students who bring their own lunches, **should also bring their own utensils** if required. The cafeteria does not provide utensils for lunches brought from home.

The last day of cafeteria service for this school year is **June 21st**.

Talent Show

Thank you to the many students and parents who supported our talent show. A great performance was enjoyed by everyone!
