Dear Parents/Guardians,

Our Premier has announced that school will remain closed in Nova Scotia until May 1st at the earliest. Teachers and administrators have received guidelines from the EECD on how we will work to support remote learning. In response our staff have been collecting information on who has internet access and who does not. As per the provincial directive provided by the EECD curriculum focus for grade 6 students will be Math and Literacy, and for grade 7 & 8 it will be Math, Literacy, Science, Social studies.

As of Wednesday April 8th a bi-weekly remote learning package will be available to all students either online or via a work package delivered by Salt Wire through the flyer delivery service. Teachers will have daily office hours to support questions and answers from both students and parents. More information on this will follow early next week.

You likely have many questions and we will continue to send information as it becomes available. In the meantime if you wish to reach out to your child's homeroom teacher their contact information is listed below. *6-3 Parents, please note a change in your child's homeroom contact.

Take care of one and other, stay healthy & safe!
