Principal: **Benedette Anyanwu**

Vice Principal: **Mark MacPhee**

Guidance: **Lenore MacDonald**

April 6<sup>th</sup>, 2020

Dear Parents & Guardians,

This is a follow up to our e-mail on Friday regarding the Leslie Thomas Learning Continuity Plan. For students participating in online learning, teachers will post work to google classroom by 9am on Wednesday April 8<sup>th</sup>. For our students receiving learning packages through Salt Wire, they will also be sent out on Wednesday April 8<sup>th</sup>.

A reminder that the directive sent from the EECD was that grade 6 students would focus on Math and Literacy or Mathématiques and Français Arts Langagiers if you are an immersion student. Grade 7 and 8 Students will receive Math, English Language Arts, Science and Social Studies. French Immersion students will receive Mathématiques, Sciences Naturelles, Français Arts Langagiers, and Sciences Humaines.

Please ask your son or daughter to go into their Google Classroom and turn on their alerts which will alert them to new content being added. Please check with the teachers you want to contact to find out which method they are using. Teachers' contact information and office hours are listed below.

As we move into our first week of online learning, we need to remind ourselves that this is all new for all of us; students, teachers and parents. We are all looking for ways in which we can support one another at this time of great stress and uncertainty. Our staff has worked diligently to get things ready for students. There is no doubt we may need some tweaks/adjustments as we all learn together. We would encourage everyone to work together with kindness, support and compassion. We are all in this together!

SchoolsPlus continues to be operational at this time.

We encourage our families to reach out to administration whenever the need arises
