February 2023

Dear Grade 6 Parents/Guardians:

LTJH offers students the option of participating in a late French Immersion program beginning in grade 7. **All students in the Grade 6 English classes may register for the late French Immersion program.** It is worth noting that the students who experience the greatest success in the program tend to be confident learners who excel in language arts and are not afraid to take risks academically.

The deadline for registering in the late French Immersion program is March 1st.

The school schedule for the 2023-2024 school year is developed and submitted to HRCE in PowerSchool by the end of March. The number of registrants in French Immersion affects our staffing. This is why it is critical that students/families need to make a decision about Late French Immersion and register for the program by the above deadline.

Please give your child's participation in this program careful consideration as it is expected that **once a student has registered for French Immersion in grade 7, they remain in that program for at least one full year.**

We must have a response from every grade 6 student to ensure that we are clear about your choice when scheduling begins next month. Please indicate your child's choice on the form below and return this letter to your child's Grade 6 classroom teacher by **March 1st, 2023.**

For those families interested, there will be a meeting with current French Immersion teachers and administration in the School Library **Wednesday, February 1st at 6:30pm.** There will be a slideshow about the program and an opportunity to ask questions.

Sincerely,

Derek Ferguson,
Principal, LTJH
