## March 2024

### Pi Day Champions

Math teachers were very impressed with all the students who competed in the Pi Day Challenge yesterday. It is not an easy Challenge and we applaud all who tried. Over 2200 numbers of Pi were memorized by LT students competing to see who would be victorious.

To the Grade 6's, start your work now for next year's competition. The grade 7's have already made a good start for next year's competition when you are in grade 8. Each class winner will have 2 weeks of free pizza after March Break and the school winner will receive 4 weeks of free pizza. Winners received a personal size apple pie to help celebrate Pi Day next week, March 14th (3.14).

**Homework Hub:** Homework Hub continues to be available to all Nova Scotian students from grades 4-12. The Homework Hub provides electronic textbooks, instructional videos, vocabulary review, practice questions, and live tutoring. Tutors at The Homework Hub are all Nova Scotia teachers. Please reassure students that while they interact with the tutor, it is through typing and/ or speaking depending on their comfort level (this is not a video chat). Students can find the link on their GNSPES launch page. The EECD has produced web versions of promotional cards that can be shared on your website: NS [Homework Hub 4-6](#) and NS [Homework Hub 7-12](#). These cards are also attached. I encourage you to share these with your families.

The hours of operation for online tutoring via Homework Hub can be found below. We invite teachers to take a few moments to show students where to find it and share its benefits.
